

GRADE 10 COURSE SELECTION

Grade 9 Choosing for Grade 10

**Donald A. Wilson
Secondary School**

The Durham District School Board acknowledges that many Indigenous Nations have long standing relationships, both historic and modern, with the territories upon which our school board and schools are located.

Today, this area is home to many Indigenous peoples from across Turtle Island. We acknowledge that the Durham Region forms a part of the traditional and treaty territory of the Mississaugas of Scugog Island First Nation, the Mississauga Peoples and the treaty territory of the Chippewas of Georgina Island First Nation.

It is on these ancestral and treaty lands that we teach, learn and live.

Le conseil scolaire du district de Durham tient à souligner que de nombreuses nations autochtones ont des relations à long terme, qui sont historiques et modernes, avec les territoires sur lesquels se situent notre conseil scolaire et nos écoles.

Aujourd'hui, cette région abrite de nombreux peuples autochtones de l'île de la Tortue. Nous tenons à souligner que la région de Durham se situe sur des territoires traditionnels qui comprennent ceux des Premières Nations des Mississaugas de Scugog Island, du peuple Mississauga et le territoire visé par les traités avec la Première Nation des Chippewas de l'île Georgina.

C'est sur ces terres ancestrales et visées par les traités que nous enseignons, apprenons et vivons.

INDIGENOUS INHERENT RIGHTS STATEMENT

The Durham District School Board recognizes Indigenous rights are distinct. In the exercise of those rights, Indigenous staff and students shall not be subjected to actions with the aim or effect of depriving these distinct rights.

DÉCLARATION SUR LES DROITS DES AUTOCHTONES

Le conseil scolaire du district de Durham reconnaît que les droits des Autochtones sont distincts. Dans l'exercice de ces droits, les membres du personnel et les élèves autochtones ne doivent pas être soumis à des actions ayant pour but ou pour effet de les priver de ces droits distincts.

HUMAN RIGHTS STATEMENT

The Durham District School Board is committed to learning and working environments that centre human rights and equity and are safe, welcoming, respectful, equitable, accessible, inclusive and free from discrimination, oppression and harm.

DÉCLARATION DES DROITS DE LA PERSONNE

Le conseil scolaire de Durham s'engage à offrir un milieu d'apprentissage et un milieu de travail centrés sur les droits de la personne et l'équité, qui sont sécuritaires, accueillants, respectueux, équitables, accessibles, inclusifs et sans discrimination, sans oppression et ni préjudice.

This course enables students to consolidate their understanding of linear relations and extend their problem-solving and algebraic skills through investigation, the effective use of technology, and hands-on activities. Students will develop and graph equations in analytic geometry; solve and apply linear systems, using real-life examples; and explore and interpret graphs of quadratic relations. Students will investigate similar triangles, the trigonometry of right triangles, and the measurement of three-dimensional figures. Students will consolidate their mathematical skills as they solve problems and communicate their thinking.
