

GRADE 12 COURSE SELECTION

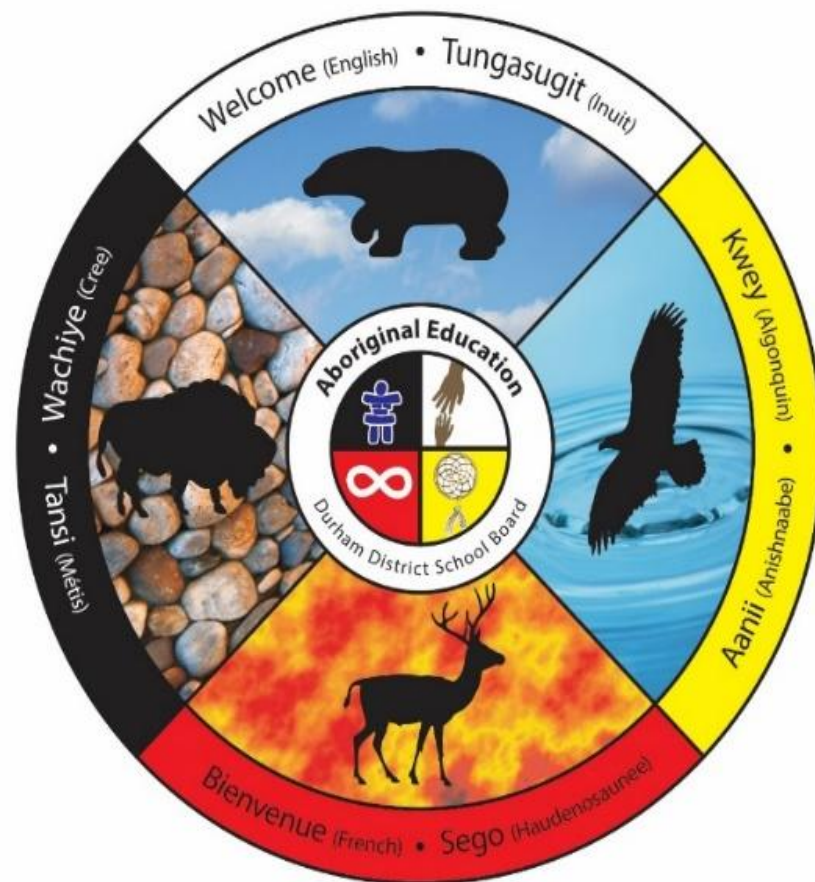

Grade 11 Choosing for Grade 12

The Durham District School Board acknowledges that many Indigenous Nations have longstanding relationships, both historic and modern, with the territories upon which our school board and schools are located.

Today, this area is home to many Indigenous peoples from across Turtle Island. We acknowledge that the Durham Region forms a part of the traditional and treaty territory of the Mississaugas of Scugog Island First Nation, the Mississauga Peoples and the treaty territory of the Chippewas of Georgina Island First Nation.

It is on these ancestral and treaty lands that we teach, learn and live.

Le conseil scolaire du district de Durham tient à souligner que de nombreuses nations autochtones ont des relations à long terme, qui sont historiques et modernes, avec les territoires sur lesquels se situent notre conseil scolaire et nos écoles.

Aujourd'hui, cette région abrite de nombreux peuples autochtones de l'île de la Tortue. Nous tenons à souligner que la région de Durham se situe sur des territoires traditionnels qui comprennent ceux des Premières Nations des Mississaugas de Scugog Island, du peuple Mississauga et le territoire visé par les traités avec la Première Nation des Chippewas de l'île Georgina.

C'est sur ces terres ancestrales et visées par les traités que nous enseignons, apprenons et vivons.

INDIGENOUS INHERENT RIGHTS STATEMENT

The Durham District School Board recognizes Indigenous rights are distinct. In the exercise of those rights, Indigenous staff and students shall not be subjected to actions with the aim or effect of depriving these distinct rights.

DÉCLARATION SUR LES DROITS DES AUTOCHTONES

Le conseil scolaire du district de Durham reconnaît que les droits des Autochtones sont distincts. Dans l'exercice de ces droits, les membres du personnel et les élèves autochtones ne doivent pas être soumis à des actions ayant pour but ou pour effet de les priver de ces droits distincts.

HUMAN RIGHTS STATEMENT

The Durham District School Board is committed to learning and working environments that centre human rights and equity and are safe, welcoming, respectful, equitable, accessible, inclusive and free from discrimination, oppression and harm.

DÉCLARATION DES DROITS DE LA PERSONNE

Le conseil scolaire de Durham s'engage à offrir un milieu d'apprentissage et un milieu de travail centrés sur les droits de la personne et l'équité, qui sont sécuritaires, accueillants, respectueux, équitables, accessibles, inclusifs et sans discrimination, sans oppression et ni préjudice.

WHAT DO I NEED TO GRADUATE

- **30 CREDITS** to graduate
 - 18 compulsory
 - 12 electives
- Successful completion of **OSSLT**
- **40 HOURS** of Community Service
- **2 Online Learning Credits** (or submit the **Online Learning Opt-Out Form**)

WHAT DO I NEED TO GRADUATE

The 18 compulsory credits include:

4 credits	English (1 credit per grade)
3 credits	Mathematics (at least 1 credit in grade 11/12)
2 credits	Science
1 credit	French as a Second Language
1 credit	Canadian History
1 credit	Canadian Geography
1 credit	Arts
1 credit	Physical and Health Education
0.5 credit	Career Education
0.5 credit	Civics

AND ...

1 CREDIT FROM EACH OF THE FOLLOWING CATEGORIES:

SUMMER SCHOOL

Unsuccessful in a course?

- You could be eligible for **Credit Recovery** in summer school
- You can look at summer school options at the same time you are looking at 2026-2027 course selections
- Visit Durham Continuing Education @ www.dce.ca for course information and register on *myBlueprint*

Registration opens February 10 @ 10am in *myBlueprint*

SUMMER SCHOOL

Looking to reach ahead?

- If you are **seriously planning** to take a **Full Credit** course in summer school (e.g. Grade 12 English) you can indicate that in *myBlueprint* through a message to the Guidance Counsellor.
- **Courses that you are planning to take in Summer School MUST be selected in *myBlueprint* for the 2026-2027 academic year.**

If you change your mind, the course that is removed may not be available during the regular school year.

Registration opens February 10 @ 10am in *myBlueprint*

SUMMER SCHOOL

- Review Course Selections in myBlueprint.
- An **'Add Comments'** box will appear on the top right.

Indicate in the comment box which course(s) you are planning on taking in Summer School.

- If you plan to take Summer School, it is your responsibility to register by using the Continuing Education tab in *myBlueprint*.

**Guidance will approve the course and
replace with the alternate.**

GRADE 12

- **1 class is compulsory for all students**
 - English
- **2 classes are compulsory for French Immersion students**
 - *English and French Immersion*

ENGLISH		FRENCH IMMERSION	
English (College)	ENG4C1	<i>French Immersion</i>	<i>FIF4UF</i>
English (University)	ENG4U1	<i>*French Immersion students*</i>	
English (Workplace)	ENG4E1		

CERTIFICATE OF IMMERSION STUDIES

This program allows students to receive a bilingual education. In addition, the aim of this program is to equip students with the practical knowledge of French so that they may take advantage of the numerous positions offered to candidates who are proficient in this language.

10 Immersion credits - Français in all grades

******This must include FIF1DF, 2DF, 3UF and 4UF******

WHAT TO DO NEXT?

- Ensure that you know all **pre-requisite** courses for the post-secondary pathways that you are interested in.
- Select **ALL** of the prerequisites that are required.
- It is **YOUR** responsibility to conduct all the necessary research in order to determine specific program requirements.
- Consult all appropriate websites, viewbooks, and campus tours for your research.
- Complete your IPP (Individual Pathway Plan) in *myBlueprint*.

APPRENTICESHIP REQUIREMENTS

- Find a registered employer who is willing to sponsor you as an apprentice.
- Training agreements must be prepared by training consultants at the Ministry of Labour, Immigration, Training and Skills Development
- Investigate by visiting www.supportontarioyouth.ca or www.ontario.ca under *Education and Training – Skilled Trades*

Opportunity in every skill

Skilled Trades Ontario is the one-stop shop for opportunities in the skilled trades, and the promotion of rewarding careers which support Ontario's economy.

COLLEGE REQUIREMENTS

- Students wishing to apply to an Ontario college **should** have a minimum of **5** Grade **11** or **12** U (University), M (University/College), or C (College) level courses.
- One of these **MUST** be **Grade 12 English**.
- Admission requirements vary between specific colleges and programs. *For example:* Firefighter - Pre-Service Education and Training at Centennial College requires Grade 12 English, Grade 11 or 12 Math, and one Grade 11 or 12 Science
- Consult **www.ontariocolleges.ca** for more information

Course descriptions can be found in *myBlueprint*.

Asynchronous eLearning

Grade 11-12 ELERN1 1 Credit Alternative

This course is a placeholder for Asynchronous eLearning courses. When you choose this option, you will be prompted to choose an eLearning course from a prepopulated list.

All course materials are delivered in an eLearning (fully online) format and require students to have access to a computer with internet access. These courses contain a range of collaborative tools such as discussion rooms, quizzes, multimedia resources, and internal email. ELearning final exams will be written online during the regular exam schedule at your school. Students of all grades may select eLearning courses as long as they have the prerequisite.

This is a placeholder code. You must select a course below

Select...

Guidance Message

Beginning with the cohort of students who entered Grade 9 in the 2020-21 school year, all students must earn a minimum of two online learning credits as part of the graduation requirements for an Ontario Secondary School Diploma unless they have been opted-out or exempted. The successful completion of this asynchronous eLearning course will count towards this graduation requirement.

ENG4C1 - English

 Grade 12  ENG4C1  1 Credit

This course emphasizes the consolidation of literacy, communication, and critical and creative thinking skills necessary for success in academic and daily life. Students will analyse a variety of informational and graphic texts, as well as literary texts from various countries and cultures, and create oral, written, and media texts in a variety of forms for practical and academic purposes. An important focus will be on using language with precision and clarity and developing greater control in writing. The course is intended to prepare students for college or the workplace.
